

ACCESSORIES

Sunbrella® Throws are an attractive and durable accessory to add to any space, indoors or out. Handwoven using Sunbrella performance yarns, Sunbrella Throws are the perfect addition to a patio, boat deck or home interior.

Sunbrella® Throws

Sunbrella handwoven throw blankets deliver exceptional craftsmanship and comfort. Enjoy quality, endurance, and plush softness in every handwoven throw. Made with Sunbrella acrylic, the decorative throw blankets feature a soil, stain, and water-resistant coating. Fit for indoors or out, the material is fade repellent and easy to clean (even with bleach). Every throw is 44 x 72 inches with a 2-inch sewn fringe.

The warm, lightweight blankets are a great accessory piece. Use the throw blankets for couches, boats, commercial décor, indoor furniture, outdoor furniture, and more. In colors influenced from nature, they're available in high-depth patterns and solids. Pair with Sunbrella upholstery fabrics, marine fabrics, drapery, and pillows for smart design opportunities. Made in the USA.
