

See what you can do with the FedEx mobile app.

SHIP FASTER

Get rates quicker with augmented reality package measuring. Taking a package to a FedEx Office? Skip the line and ship with your phone at the self-serve kiosk.

SHIPMENT PROFILES

Create and Access saved shipments from fedex.com for speedy creation of a shipping label.

HOLD YOUR PACKAGE

Redirect a package to any approved FedEx location or retail location like Walgreens, Dollar General, Albertsons, and more.

PICKUP OPTIONS

Ship a package without having to go anywhere. Schedule a pickup when creating a shipment and we'll come to collect it.

NOTIFICATIONS

Get package updates while on the go with email, text, push notifications, or homepage widgets.

INTERNATIONAL SHIPPING

Create international shipping labels and upload any customs documentation all from the app.

TRACK REWARDS

View My FedEx Rewards for any earned perks.

SCAN BARCODE

Scan the barcode on a shipping label to add it to your tracking list automatically or scan a door tag to open the app for relevant service options.

FEDEX ADDRESS BOOK

Expedite future shipping by saving address information of repeat recipients in your FedEx address book.

EASY SEARCH

Search for a shipment by name, tracking number, or destination/origin city to find a specific shipment to track.

FIND A LOCATION

Find locations and hours of all FedEx locations from full service to drop box, including our new FedEx retail locations.

TRACKING

Create a user ID and password to log in and track inbound and outbound packages from pickup to delivery. Residential addresses have additional delivery management options such as remote sign, delivery instructions and more.

MULTI-TRACKING

Track all your packages in one place, even if they're not from FedEx.
